

Hi, I'm Aditya Satrio,

I'm a Senior Creative Designer
passionate about crafting
visual stories.

Versatile creative professional with expertise in graphic design, motion graphics, and video production. Experienced in collaborating with both in-house teams and external clients, as well as managing various freelance projects — delivering well-rounded and impactful visual solutions for brands and businesses.

My Experience

August 2021 - Present

Sr. Graphic Designer Lamudi Indonesia

- Crafting ideas, concepts, and creating visual presentations for both internal and external campaigns or events.
- Handling all visual collateral needs such as creating logos, illustrations, color combinations, and required visual standards.
- Directing juniors in producing visual requirements to ensure that each visual output aligns with expectations.

October 2020 - September 2021

Freelance Graphic Designer Speedwork Indonesia (GT Group)

- Producing all digital needs such as social media content, WhatsApp blasts, e-commerce content, and application banners.
- Creating all marketing collateral for offline needs, such as booklets, flyers, X-banners, etc.
- Coordinating with copywriters and marketing communications regarding the required visuals.

February 2020 - July 2021

Graphic Designer Cartenz Group

- Researching modern design styles and the latest trends of social media contents.
- Creating layouts and artwork to develop marketing materials (pitch decks, posters, X-banners, etc.), as well as motion graphic videos.
- Collaborating with each team member to create designs that align with the editorial content plan.

January 2019 - October 2019

Marketing Assistant Specialist Huawei Indonesia

- Engaging in research and creating plans for the production of creative content based on ongoing campaigns.
- Managing the process of photo and video production, from conceptualization, budgeting, equipment preparation to post-production.
- Producing motion graphic videos for various digital needs and events as promotional media.

February 2016 - December 2018

Multimedia Specialist Coolpad Indonesia

- Producing photos and videos, starting from preparation, the shooting process, and post-production.
- Performing video editing that aligns with current trends by incorporating motion graphic elements.
- Collaborate closely with social media specialists to analyze the performance of the content we have created.
