The screenshot shows the 'Candidate Database' interface of TalentFlow Enterprise Recruitment. The left sidebar contains navigation links: Candidates (active), Jobs, Interviews, Reports, and Settings. The main content area features a search bar with the placeholder 'Search by name, role, company, or keywords...'. Below the search bar are filter sections for POSITION (All Positions), SKILLS (e.g. React, Python), EXPERIENCE (Any), and LOCATION (City or Remote). There are also buttons for '+ More Filters', 'Reset', 'Import', and 'Search'. Below the filters, it states '1,245 Candidates Found'. A table displays the results with columns: CANDIDATE NAME, CURRENT POSITION, EXP., SKILLS, STATUS, and ACTIONS. The table lists three candidates: Elena Rodriguez (Senior Frontend Engineer at TechCorp, 6 yrs, React, TypeScript, Actively Looking), Marcus King (Product Manager at StartupX, 4 yrs, Agile, Jira, Not Looking), and David Chen (UX Designer (Freelance), 8 yrs, Figma, UI/UX, Open to Offers). At the bottom, there is a 'Show 10 per page' option and a pagination control showing page 1 of 125.

The screenshot displays the TalentFlow Enterprise Recruitment dashboard. On the left is a sidebar with navigation options: 'Add Candidate', 'Candidates', 'Jobs', 'Interviews', 'Reports', and 'Settings'. The main content area features a search bar at the top with the text 'search candidates, jobs...'. Below the search bar, a candidate profile for Elena Rodriguez is shown. She is a Senior Frontend Engineer with 6 years of experience, located in San Francisco, CA, and is currently 'Actively Looking'. The profile includes a 'Professional Summary' and a 'Work Experience' section. The 'Work Experience' section lists her role at TechNova Solutions from 2021 to the present, with bullet points detailing her achievements: architecting a micro-frontend architecture, leading a team of 4 developers, and establishing CI/CD pipelines. On the right side of the dashboard, there are sections for 'AI Match', 'Candidate', 'Logistics', and 'Expect', each with a corresponding icon and a brief description.
